

# Chest Campaign Goes All Out

With two residential divisions and 11 sections at the 100 per cent mark, Torrance residential workers are in an all-out push to make a good showing at the Harbor Area annual report luncheon Thursday at the San Pedro Ports O'Call Restaurant.

First South Torrance residential division chairman to go over was Mrs. B. F. Stevens of St. Lawrence Catholic Parish who, with parish women, Mrs. Steven's husband and his co-workers at Franklin Life, covered a large residential area and businesses in WALTERIA and Rolling Hills Plaza.

One hundred per cent section chairmen included Mesdames William Neil, J. M. Jewett, C. R. Creasey, William R. Forrester and Guy Warner.

Mrs. F. G. Quattrini, a residential division chairman in North Torrance, also led her section chairmen and workers to first division over in North Torrance. One hundred per cent section chairmen included Mesdames Don Hibbert, George Ono, John Dorozinski and Kenneth Uyeda with co-chairman Mrs. Frank G. Caminite. Mesdames Uyeda and Caminite had the first 100 per cent section in Torrance.

More recent figures show the following on the Community Chest's Harbor Area scoreboard:

Gardena — \$25,190 goal, \$11,669 to date, 46.32 per cent.  
Harbor City-Lomita — \$2,788 goal, \$1,820 to date,

Harbor Area — \$106,900 goal, \$45,823 to date, 42.87 per cent.

The board at its meeting

accepted with regret the resignation of Mrs. William Ralph LaPorte, who has moved from the area, and named Walter Schepman, Harbor City-Lomita campaign chairman and Retail Clerks' Local 905, to the vacancy.

Also announced was a gift to the Harbor Area Community Chest campaign of a new trophy to be given to the chairman of the city Business Division with the highest percentage of quota raised each year.

Donor was Retail Clerks Local 905, whose business agent William H. Soady with business committee men brought Harbor City-Lomita first to 100 per cent in the Harbor area this year.

## Supervisors OK Area Road Work

Portions of Narbonne Ave. in the Lomita area will be improved under a \$3100 road project approved by the board of supervisors.

Supervisor Burton W. Chace said work is slated to begin immediately on the paving of two portions of Narbonne southerly on Pacific Coast Hwy.

Completion of the pavement extension will provide improved roadway drainage, lower maintenance costs and higher operation efficiency of the street, Chace said.

He urges motorists to drive with care through the area during construction.

The work is being done as a cooperative venture between the County Road Department and property owners who constructed curb and gutters at their own expense on county permit.
